6 December 1983

Dear Verne,

I am pleased to inform you that at 2:00 p.m. on 2 December 1983 the Agency exceeded its Combined Federal Campaign goal, the first time this has been done since 1977.

We have pledges and cash of \$323,791. Our goal, which was increased by 11% over last year's contributions, was \$323,000. There are still cards outstanding, so the figure should increase modestly.

Yours,

William J. Casey
